

MICHELE CLAIBOURN

I am a research director – a political scientist, data scientist, community-engaged scholar, and senior administrator – and professor with 20 years of experience teaching, leading, and managing research and data science teams.

My own work centers on action-based research, using the tools of data science to promote accountable governance¹, make visible racial and other social inequities², and impact public policy and movement building.

PROFESSIONAL EXPERIENCE

- 2021
● **Director of Equitable Analysis**
The Equity Center, University of Virginia
 - Faculty, Batten School of Leadership and Public Policy, 2021-present
 - Faculty Affiliate & Lead Data Scientist, Global Policy Center, 2019-present
 - Co-Director, Community Policy, Analytics & Strategy Lab, 2018-present
- 2021
|
2015
● **Director, Research Data Services & Social, Natural, and Engineering Sciences**
UVA Library, University of Virginia
 - Data Science Director, The Equity Center, 2020-2021 (partial buyout)
- 2015
|
2013
● **Director, StatLab and Research Data Services**
UVA Library, University of Virginia
 - Associate Director, Data Science Institute, 2014-2016 (partial buyout)
- 2013
|
2011
● **Data Scientist**
Weldon Cooper Center for Public Service, University of Virginia
- 2011
|
2004
● **Assistant Professor**
Department of Politics, University of Virginia
- 2004
|
2002
● **Assistant Professor**
Department of Politics, University of Oklahoma

EDUCATION

- 2002
|
1996
● **PhD., Political Science**
University of Wisconsin-Madison 📍 Madison, WI
- 1993
|
1989
● **B.A., Political Science**
Rice University 📍 Houston, TX

TEACHING AND MENTORING

- 2021
|
2002
● **Graduate Courses**
University of Virginia and University of Oklahoma
 - Imagining Equitable Policy, Public Interest Data Ethics & Practice, Data Visualization, Saving Lives with Data, Text as Data, Applied Causal Inference, General Linear Models, Linear Models, Applied Time Series, Mixed-Effects Models/Longitudinal Analysis, Introduction to Statistical Analysis
- 2020
|
2002
● **Undergraduate Courses**
University of Virginia and University of Oklahoma
 - Project First Gen +, Research Design & Analysis, The Presidency and the Public, Media & Political Communication, Political Psychology & Decision Making, Citizen Competence in American Democracy, Introduction to American Politics

Leadership

Envision, design, and lead research projects with academic and community partners seeking to understand racial and other disparities and to develop policy responses. Manage multiple projects and train and mentor students engaging in community-engaged data science.

Founded StatLab³, a data science consulting service for members of the UVA community. Built a new division within the library to support the growing data science research community at UVA, recruiting, hiring, and managing a team with diverse skills and talents..

Have managed a team of 10-12 full-time staff, 3-4 graduate fellows, and research teams across multiple collaborations on a range of programmatic and research projects.

Methods and Software

Statistical modeling and data science
R, RStudio, Shiny
Data wrangling and visualization
Stata and SPSS
Text analytics
GitHub and reproducibility
Some Python and SQL
Qualitative methods

- 2020
|
2013
- **Select StatLab Workshops⁴**
University of Virginia
 - Six-part series on Data Science in R, Multiple Imputation, Cluster Analysis, Duration Models, Matching Methods, Mixed-Effects Models, Sentiment Analysis, Topic Modeling, Text Classification, Data Wrangling, Linear Modeling

SELECTED PUBLICATIONS AND PRESENTATIONS

- 2021
- **Albemarle County Equity Profile: Centering Equity in Evaluating Well-Being & Quality of Life for Albemarle County Resident⁵**
The Equity Center, A UVA Democracy Initiative for the Redress of Inequity through Community-Engaged Scholarship and the Albemarle County Office of Equity and Inclusion
 - With Sam Powers, Michael Salgueiro, Siri Russell, Barbara Brown Wilson, and Alissa Ujie Diamond,
- 2019
- **Charlottesville Foster Care Study⁶**
Report to the Charlottesville Department of Social Services
 - With Charlotte McClintock and the Public Interest Data Lab
- 2021
- **Webinar, Mapping Inequity: Partnering for Data-Informed Decision Making**
International City/County Management Association
- 2020
- **Panelist, Racial Equity and Technology**
Public Interest Technology-University Network
- 2019
- **Homework and Hubris: Preparing for Community-Engaged Courses**
Innovations in Teaching Pedagogy Summit, University of Virginia
 - With Paul Martin
- 2021
- **Confederate monuments and the history of lynching in the American South: An empirical examination⁷**
Proceedings of the National Academy of Sciences Oct 2021
 - With Kyshia Henderson, Samuel Powers, Jazmin L. Brown-Iannuzzi, and Sophie Trawalter
- 2013
- **Citizen Participation and Congressional Responsiveness: New Evidence for Why Participation Matters**
Legislative Studies Quarterly 38: 59-82
 - With Paul Martin
- 2012
- **Creating Constituencies: Presidential Campaigns, Selective Mobilization, and the Scope of Conflict**
Political Behavior 34: 27-56
 - With Paul Martin
- 2011
- **Presidential Campaigns and Presidential Accountability⁸**
University of Illinois Press, Series on Democracy, Free Enterprise, and the Rule of Law
- 2007
- **The Third Face of Social Capital: How membership in Voluntary Associations Improves Policy Accountability**
Political Research Quarterly 60: 192-201
 - With Paul Martin

Teaching and Writing

20+ years of experience teaching statistics and data science methods, policy, and political behavior to undergraduate and graduate students.

Design data workshop series for student and adult learning communities, including recruiting and mentoring instructors, marketing and assessment, and contributing to select topics.

Experienced writer in multiple formats, from university press books and peer-reviewed journal articles, to action-oriented reports for local and state agencies, educational materials, and informal writing.

Skilled in communicating about data, technology, and policy to stakeholders, advocates, and learners.

Last updated on 2021-12-13.

Trusting and Joining: An Empirical Test of the Reciprocal Nature of Social Capital

Political Behavior 22: 267-291

• With Paul Martin
